

Pro-Choice, united!

And we'll never be defeated!

---

Not the church, not the state.

Women must decide their fate!

---

What do we want? CHOICE?

When do we want it? ALWAYS!

---

Women's rights are under attack, what do we do?

STAND UP, FIGHT BACK!

---

Hey, hey. mister. mister,

Get your laws off my sister!

---

Ho-Ho. Hey. Hey

Women's rights are here to stay!
